

NACDN

National Association of
Chemical Dependency Nurses

WE'RE NOW NACDN

WHY THE CHANGE?

The Board of Directors decided to obtain national status in January 2020 to allow caring nurses from other states to join our organization and to better align with its core mission and vision.

OUR MISSION

To provide and maintain quality nursing care for individuals with Substance Use Disorders and their families through education, training and research. To provide an environment that promotes a superior level of knowledge in the field of Chemical Dependency Nursing.

BENEFITS TO YOU

- Nationwide networking opportunities
- Quality Educational Seminars
- Opportunity for certification as a Chemical Dependency Nurse, "CDNC"
